

## VINCE LAWRENCE B. SUINAN

Address: Brgy. Pansol Pila, Laguna | Birthdate: September 30, 2003  
suinanlawrence8@gmail.com | +639940365220 (Viber-ready)

Motivated IT student with a strong foundation in web and mobile development, and a passion for digital art. Experienced in front-end and back-end technologies. Creative and detail-oriented, with a background in both programming and 2D/3D digital design.

### SKILLS

---

**Languages/Frameworks:** HTML, CSS, JavaScript, PHP, MySQL, Flutter, Unity (C#)

**Tools:** VS Code, Git, Figma, Blender, MS Office, Unity, Autodesk Sketchbook, Canva

**Design:** Illustration, Digital Painting, NFT Design

**3D Modeling:** Blender (Modeling & Animation)

### EXPERIENCE

---

**IT Intern**(Full Stack Developer)

Feb - May 2025

**Patts College of Aeronautics Inc.,**

Lombos Ave., Brgy. San Isidro, Parañaque, Metro Manila, Philippines

- Assisted in system unit assembly, LAN cabling, and testing hardware components.
- Managed projector reservations, handled email communications, and supported technical setups.
- Participated in the development enhancement of the PATTS Admission and PES-API systems as Software Developer.

### PROJECT

---

#### **The Pila Museum Mobile Application**

Capstone Project – Laguna State Polytechnic University

- Developed a mobile application using **Unity 3D (C#)** and **Blender Software** to simulate a virtual museum for Pila, Laguna. Integrated 3D artifact models, interactive exhibit galleries, and multimedia content (text, audio, visuals). The app enables user navigation, 3D object interaction, and provides accessible cultural heritage learning via Android.

**AWARD:** 3rd Place (Poster Presentation) paper titled: "Pila's Legacy Unbound: Experience in Virtual Museum" during the "2025 Intercollegiate Students Research Congress"

### EDUCATION

---

**Bachelor of Science: Information Technology - Major in Web and Mobile Application Development**  
(2025-06)

Laguna State Polytechnic University - Santa Cruz, Province Of Laguna, Philippines
